

IQF RANGE

About Us

A distinguished division of the Wadhvani Group, Farmico Frozen Foods stands as a leader in the production of premium frozen foods. Based in Nagpur, Maharashtra, India, our state-of-the-art manufacturing facility is strategically located in Lihigaon, just 10 kilometers from Nagpur Airport. This advanced facility, sourced from Italy, is internationally certified to meet rigorous global standards, including HACCP, ISO 22000:5000, BSI, APEDA, KOSHER, and USDA.

With a robust production capacity of 20 metric tons per day and expansive storage capabilities of 20,000 metric tons across India and abroad, Farmico offers a comprehensive range of Individually Quick Frozen (IQF) foods. Our Italian-engineered PIGO IQF system ensures unparalleled quality and efficiency, while our in-house storage infrastructure guarantees seamless cold chain management and reliable transportation.
